

TEN TORS RULES ANNEX C: ESTABLISHMENT TEN TORS STAFF QUALIFICATIONS

30 SEP 21

1. **Rationale.** The Organisers require assurance that at least one member of the Establishment's Ten Tors Staff, preferably the Team Manager, is competent in order to:
 - a. Advise the Head of Establishment.
 - b. Safeguard the reputation of Ten Tors during the training period.
 - c. Ensure that participants have been properly assessed as being sufficiently trained, physically prepared and suitably equipped to complete their Challenge even in adverse conditions.
 - d. Allow the MOD to meet previously made undertakings.

2. **Method.** Competence is to be demonstrated by notifying the Organisers that Establishment's Ten Tors Staff hold suitable qualifications.

3. Establishment Ten Tors Staff with walking qualifications are to be listed and the Dashboard updated as the training period progresses. Staff may be listed by more than one Establishment.

4. Notifying the walking qualifications of all an Establishment's Ten Tors staff demonstrates strength in depth.

5. **Scout Establishments.** Only enter scouting Hillwalking and Nights Away Permits (Lightweight Expedition or Greenfields) and T1/T2 Permit 'to supervise', endorsed for 'lightweight camping in remote areas'. Scouting qualifications are not valid for Non Scouting Establishment.

6. **Suitable qualifications.** Acceptable qualifications are listed below.

7. **Caveats.** The purpose of this process is solely to assure the Organisers. The Ten Tors organisers do not take any responsibility for ensuring that participating establishments are compliant with their parent organisation's rules. It remains an Establishment responsibility to ensure that training is safely planned, conducted and supervised, and that participants are sufficiently trained and capable to undertake their chosen challenge. The Organisers do not take responsibility for or check any other measures or areas of competence including (but not limited to):

- a. The accuracy, veracity, or currency of declared qualifications or their suitability for the intended training including season, location, activity and type of Establishment.
- b. Ratios of instructors / leaders to students / walkers including any need to manage training to ensure safe ratios (for instance by staggering training periods).
- c. Other measures of competence or suitability such as the currency, experience or character of team staff.
