# DONATE FOR DARTMOOR – THANK YOU

## Recreational Dartmoor

There are 450 miles (730 kms) of footpaths and bridleways across the National Park. Your donation will help maintain these recreational routes through path repairs, new signage and improved access.

**Repairing Nun's Cross Path**

**Relaunching the Two Moors Way**

**Replacing stiles with gates**

## Natural Dartmoor

Dartmoor provides a home for a range of wildlife, and is also an important stronghold for some declining and threatened species. Your donation will help look after important habitats.

**Helping the House Martin**

**Conserving the Southern Damselfly**

**Last stand of the Mountain Blackbird**

## Historic Dartmoor

The archaeology of Dartmoor is very special and evidence of how people have lived, worked and died in this landscape for over 6,000 years can still be seen. Your donation will help conserve these amazing archaeological features.

## RULES - HOE RESPONSIBILITIES

**2. Head of Establishment (HoE).** The HoE ... is responsible, on behalf of the employer, for the safety of their participants in training, although this may be delegated to a designated Team Manager (completed online via TM Dashboard).

The HoE must assure the Director Ten Tors that all the team management are competent and suitable for the role to which they are assigned.

By sponsoring an entry the HoE accepts responsibility for all participants' behaviour in training ... this includes individuals who are not members of their own establishment.

HoE Assurance to be completed via the dashboard **before** you can start training.

**3. Team Manager.** The **TM**, appointed by the HoE, is **responsible for all aspects of their Team's training.**

*With the agreement of the HoE, the TM may delegate training and other duties to competent and qualified Training Event Leaders, deputies and assistants.*

*Prior to the start of a Challenge, the **TM is required to assure the Director that all participants ... are sufficiently trained [and] physically prepared... to complete [their Challenge] unaided even in adverse conditions.***

**22. [General] Requirement.** *The Challenges are demanding expeditions. Thorough preparation and training are essential to complete the Challenges safely. The HoE is responsible, through their TM, for the conduct of training. The MOD accepts no responsibility for safety in training.*

**24. Incidents.** *The Ten Tors Secretary, or at weekends the Ten Tors Duty Officer, is to be informed **within 48 hours** of any incident in training that:*

- a. Involves the **emergency services**.*
- b. Results in **hospital treatment**.*
- c. May result in **media coverage**.*
- d. May lead to **complaint from a 3<sup>rd</sup> party**.*

**16. Individual training requirement.** *Before the Event participants must complete a structured and progressive programme of training which includes as a minimum:*

- a. 4 days of training on Dartmoor.*
- b. 2 nights of wild camping on Dartmoor.*
- c. Experience of walking in an unsupervised group.*

**17. Team training requirement.** *In addition to the above, Teams must:*

- a. Be sufficiently trained, physically prepared and suitably equipped to enable the team to operate safely on their own and complete the Challenge unaided even in adverse conditions.*
- b. Train as a team on at least one expedition noting that best practice would be to conduct regular training as a defined team. Last minute composite teams are not permitted.*

# RULES – GREEN CARD

## TEN TORS 2024 - 25 GREEN CARD RULES FOR TRAINING ON DARTMOOR

These Rules must be followed by ALL those involved in training for Ten Tors and a copy must be carried by every walking group.

MOD, Ten Tors, and DNPA officials monitor training to ensure compliance.

Ignoring this Card may debar teams and establishments from the Event in this and future years.

Establishment Name & Code: .....

Training Event Leader's Name and Phone: .....

Off Moor Controller's (if applicable) Name & Phone: .....

Ten Tors Duty Officer (TTDO) – weekends 8 Oct to Event only: 07801 901 211

Headquarters Dartmoor Training Area (HQ DARTA) – all year: 01837 657 211

### General

- The [Dartmoor National Park \(DNP\) Byelaws](#) are to be obeyed at all times.
- The TM is to ensure that the Ten Tors Secretary, or (if over a weekend from 12 Oct to the Event) the TTDO, is informed within 24 hours of any incident as detailed in the Rules.
- Establishment Codes are to be displayed on two A4 panels which are easily visible to ground observers.

### Planning

- TMs are to minimise the environmental impact of training, for instance by selecting locations other than the tops of tors as checkpoints or making maximum use of Public Rights of Way (PROWs) and existing paths. Consider training on areas other than Dartmoor.
- All maps must show Out Of Bounds (OOB) areas as detailed in the Annex A to the Rules.
- During the training period, other areas may be designated as OOB: ensure you check the Ten Tors website when planning training.
- Base camps are not permitted on the open moor. TMs must arrange for these to be located at established campsites or, with the landowner's permission, on private land. Details of landowners prepared to permit camping are on the [Enjoy Dartmoor](#), [Visit Dartmoor](#) and [Ten Tors](#) websites.
- From 12 Oct 24 onwards:
  - TMs are to inform the Organisers at least 3 days in advance of training using the TM's dashboard; this is to assist with training compliance and environmental monitoring. Although training is not checked or monitored for safety purposes a list of planned training is provided to the emergency services and DNP Authority (DNPA) to assist in the event of incident.
- From 1 Feb 25 onwards:
  - Walking groups are limited within the North Moor (the area North of the Tavistock – Two Bridges – Moretonhampstead road and west of the 68 easting) to no more than 4 days training for a maximum of 12 + 2 adults per allocated team eg. establishments with 3 teams participating are not permitted more than 42 walkers.
- There is to be no training on Dartmoor over the Easter weekend (18 Apr – 21 Apr 25).

### Vehicles

- Vehicles are to have the establishment's Code clearly displayed on the dashboard.
- All non-metalled roads (including the Okehampton Range Loop Road) are OOB to vehicles unless permission is given by the TTDO or HQ DARTA.
- Off-road driving is not permitted.
- Unless parking off the road with the permission of the landowner, only designated public carparks are to be used. Be considerate of others in public carparks and leave at least half of the area for public parking.
- Thoroughfares and gateways are not to be obstructed.

- The National Park Byelaws prohibit overnight sleeping in vehicles in carparks or on roadsides.

### Understand property rights

- All of Dartmoor is owned by somebody.
- Enclosed land is not to be used without the permission of the landowner unless it is a PROW or Countryside and Right of Way public access land.
- Commons and Access Land, as shown on Annex A, may be used for walking.
- Backpack camping is only permitted in the areas shown on the [DNPA website](#).

### Respect the Moor and its other users

- Tread lightly. Leave no trace. Give nature space.

## COMPLETE DETAILS

- Do not disturb stones from moorland, dry stone walls or old buildings.
- Do not pollute or obstruct streams rivers & leats – they may be somebody's water supply.
- Take all litter home.
- Bury poo and toilet paper under at least 15cm of turf.
- Do not disrupt or cause a hazard to traffic.

### Prevent wildfires

- Wildfires can be devastating; do not light open fires or take naked flames near flammable areas.
- Use cooking stoves carefully.
- Farmers are permitted to conduct controlled burning to manage vegetation between 1 Oct and 31 Mar; these types of fire will be under close supervision and over relatively small areas.
- Report all uncontrolled or suspicious fires to the Fire Service on 999 immediately.

### Protect plants and animals

- Avoid disturbing plants, wildlife, and livestock.
- Rare Bird Nesting Areas (RBNAs) must not be entered during the period 1 Mar – 31 Jul except in emergency.
- Dogs must not be allowed to disturb animals.
- Do not feed or touch ponies or attract them to the road.
- Leave young or distressed animals alone.
- Report animals in distress or stray dogs to the Dartmoor Livestock Protection Officer on 07873 587561.

### Camping

- Backpack camping locations are to be at least 100m from any building, road, or other backpack camping location and are to be within areas permitted on the [DNPA website](#).
- Do not backpack camp in sight of a road or building.
- Backpack camping locations used for Ten Tors training must not contain more than 14 people.
- Keep noise to a minimum when camping – remember that sound travels further by night.

### Ranges

- The boundaries of the 3 Range Danger Areas are shown on maps and are marked on the ground by signs on red and white posts. When red flags or lights are displayed entry is forbidden. Guaranteed public access dates and 6 weeks' notice of firing are published on the [MOD website](#).
- Unexploded ordnance surfaces occasionally; it may be dangerous so **DO NOT TOUCH**. Mark the area and give a grid reference and description of the object to HQ DARTA.

# ENVIRONMENTAL COMPLIANCE MONITORING

MR ANDY HODGES

LEAD ECM

TRAINING

ECM

## WHY DO WE HAVE ENVIRONMENTAL COMPLIANCE MONITORS?

## WHY DO WE HAVE TO COMPLY?

- You have applied to be part of a very long-standing event, with traditions, expectations and conditions attached.
- These expectations and conditions form the rules, which are there to protect the Moor, the people living on the Moor and the future of the event.
- The Rules For Training (Green Card) should be common sense for regular moorland visitors.
- The Challenges only exist with the agreement and support of Dartmoor stakeholders.
- As such, we need to minimise any negative impacts we as a group may have on those people and promote the positive role of Ten Tors.

## WHAT SHOULD A MEETING WITH AN ECM BE LIKE?

- An ECM should approach and identify themselves
- ECMs are likely to ask where the group has been and where it's heading.
  - Ask to see maps with RBNAs correctly marked on them.
  - Ask about Green Cards: are contents known?
  - Check that the group is properly ID'd with Establishment numbers on two rucksacks
  - Green card is completed correctly and that the team know their emergency procedures.

## WHAT SHOULD AN IDENTIFICATION PANEL LOOK LIKE?

A minimum of two identification panels are to be displayed at all times.

## 2023-24 TRAINING PHASE DATA

- 29 ECMs covered 19 weekends from Nov to April
- We spent a total of 165 days out, up from 137
- An average ECM day is 7-9 hours, most are part of an establishment's training team
- We met a total of 315 groups
- 269 groups were compliant, 85%, down from 86%

## NON-COMPLIANCE – HOW NOT TO FAIL!

The following issues were the most prevalent:

- Green Card (Rules) knowledge;
- Groups not carrying Green Cards;
- Teams not showing Estb ID numbers;
- Gates being reported to be left open;
- RBNAs not marked on maps;
- Hi vis not being visible!
- Campsite etiquette

## EVENT HOT SPOTS

The majority of infringements were:

- Steeperton Gorge downstream of Knack Mine Ford
- Around Postbridge – road walking, Archerton, OOB field crossings
- River crossings NE of Higher White Tor

**What are your teams experiencing during the training phase in these areas ?**

## CLOTHING & EQUIPMENT

PAUL JAYS  
ON BEHALF OF  
SCOTTY (CHIEF SCRUTINEER)

## SCRUTINEERS

- 31 Scrutineers, with a further 3 provisional, drawn mainly from RN and RAF
- Dynamic Safety of the Event, as well as setting standards of equipment and clothing
- 577 years of TT Experience
- Approx 1000 years of hill experience
- Collective skills include, mountain and hill qualifications, Mountain Rescue Team, Paramedics, youth/adult training and mentoring, DBS, First Aid etc

To ensure the **SAFETY** of participants  
and integrity of Ten Tors,  
an audit of 10% of teams will be carried out,  
on the Friday prior to the event,  
to monitor compliance with ANNEX B.

The Clothing and Equipment List, Annex B, on the TT website is primarily developed with **SAFETY** of the **INDIVIDUAL** and **TEAM** in mind, irrespective of the weather conditions.

MANDATORY minimum (can have more).

Make sure they know how and when to use it.

## CLOTHING & EQUIPMENT

### ANNEX B

*“Notwithstanding compliance with this list, the organisers **WILL** remove participants from a Challenge ... if they consider them to be unsuitably clothed or equipped to complete it in the forecast conditions, or if the TEAM or INDIVIDUAL is missing VITAL SAFETY related ITEMS from the list.”*

## CLOTHING & EQUIPMENT

### TROUSERS

- Trousers – wind resistant and quick drying
- In the last few years, changes have been made to the kit list to try and reduce the likelihood of **Tick Bites** and the potential to contract Lyme Disease and Tick-borne Encephalitis (TBE).
- Therefore, shorts and gym/yoga leggings are **PROHIBITED** from the Ten Tors Event.

# WATER & WATER STERILIZATION

**Water Container Recommend:** Platypus-type with a separate hard bottle provides an effective system. Total capacity **2 litres minimum**

## WATER & WATER STERILIZATION

- Water Management
  - Two containers ensure sterilisation can be carried out while drinking supply maintained.
  - Ensure participants understand timing and doses of sterilization system used.
  - Annex B still applies to water management systems using non-chemical sterilizing methods.
- Participants will start with 2 litres of water. Recommended at least one litre in each container.
- Ensure individuals hydrated pre-Event start, during Event and Post Event
  - (iaw JSP375 Vol 1 Chap 41)

**Boots – with ankle protection and in good condition**

## CLOTHING & EQUIPMENT

### CALORIES

- Rations – Arrange into meals.
  - Participants will have higher than normal calorie consumption, they **must** eat.
  - Calories equals energy which equals body heat.
- Emergency Rations – high energy & sealed.
  - Must be able to be consumed without processing e.g. adding water, or heating up

## CLOTHING & EQUIPMENT

### STATIC THERMAL LAYER

- Softshell
- Thick Fleece
- Primaloft
- Hydroloft
- Down

**Know when to use it.**

## CLOTHING & EQUIPMENT

### PERSONAL

- Intermediate Layer – Micro-fleece, sweatshirt etc
- Socks Pair – Thick walking type
- Waterproof Clothing – When to use it
- Whistle – Know its use

## CLOTHING & EQUIPMENT

### PERSONAL

- Survival Bag – Know its use
- Personal Medication – Ensure other Team members are aware of use and location, if required
- Rucksack – Robust rucksack liner

## CLOTHING & EQUIPMENT

### TEAM

- TT25 Map with Bird Nesting areas and Out of Bounds
- Compass – Lightweight Compass with min 10cm baseplate
- High Viz Surcoats – knowledge how to use them on roads

## Key points

10% Audit before event

Teams not complying with Annex B will be removed from event

## BEACON FAMILIARITY

### JCSYS

- 2023/4 Teams were not familiar with Beacon operation
  - Spurious Emergency call as opposed to manual position location
  - Many beacons handed in “Beeping” hence unread message
  - Poor location of beacon
- Video made available this year and played in Registration after beacon issue
- Questions, please ask when beacon issued.

### Tue 1 Oct 2024 — Team Managers Briefing Saturday 12 Oct Okehampton Camp

Attendance at the Ten Tors 25 Team Managers Briefing (TMB) is mandatory.

Registration opens at 0930. Do not forget to bring a paper copy of the [registration form](#) for each challenge that your establishment is entering.

All new TMs must attend the TMB.

Those who have been a TM previously must have attended a briefing within the 3 years preceding this years event - if they have, a member of the Team Staff (who is registered on the TMs Dashboard) may attend in their place.

Establishments entering more than one challenge (TTC, JC and/or JC+) must send an attendee for each. Attendance at the TM's Brief is mandatory and failure to attend will result in establishments being de-selected from the event.

# TEN TORS 2025 ORANGE CARD RULES FOR TEAM STAFF

## Team Managers (TMs) and Staff are responsible for:

- The **conduct and wellbeing of participants**:
  - From arrival at Okehampton Camp until the start of the Challenge.
  - From handover at the Finish or fall out system until departure from Okehampton Camp.
- The **conduct and safety** of all involved with a Team including **supporters**.
- Ensuring that all those in the campsites, including visitors, are properly briefed. Visitors entering will receive basic safety information in the brochure issued to all drivers in the carparks.
- Issuing the Notice to Parents and Guardians and **acting as the link between them and the Organisers**.

# TEN TORS 2025 ORANGE CARD RULES FOR TEAM STAFF

## Fire.

- Keep all designated routes in campsites clear and make sure that everyone knows where they are.
- Identify walkways to the designated main routes and liaise with neighbours to keep them clear.
- Minimise the number of gas and fuel containers in the campsites; spares are to be kept in the carparks.
- There must be at least 6m between any tent or camper van used for cooking and any other structure.
- Smoking is only allowed in designated areas; open fires (e.g. wood burners and BBQs) are forbidden.
- Establishments are to provide appropriate fire extinguishers.
- Generators are not permitted on the campsites so that emergency announcements can be heard.
- If there is a fire raise the alarm by shouting FIRE, FIRE, FIRE, call 01837 657267 and 999 and muster on the Parade Square. TMs are to report missing persons to a Steward.

# TEN TORS 2025 ORANGE CARD RULES FOR TEAM STAFF

## Medical Assistance.

- St John Ambulance have mobile medical staff across Okehampton Camp during the Event that can be tasked by calling mobile number: (TBC two weeks from Event date)
- First Aid Posts are established across Okehampton Camp.

## Vehicles.

- Drivers are to follow the directions of Traffic Marshals, use the one-way circuit and comply with the traffic circuit speed limit of 15 mph.
- Unloading and loading is only permitted in designated areas; Jubilee Challenge vehicles will only be allowed to enter the campsite in exceptional circumstances.
- Vehicles are to be parked in designated parking areas as directed. Vehicles that are illegally parked or causing an obstruction may be towed away or receive a fixed penalty notice from the Police.
- There will be NO vehicle exit from Okehampton Camp on Sat 0600-0700hrs. On Sun 1300-1900hrs all traffic leaving Camp will be directed onto the A30 westbound slip road.
- Camper vans are only allowed in designated parts of the carpark; caravans are not permitted.
- Please inform spectators – first aid and likely traffic situation

# TEN TORS 2025 ORANGE CARD RULES FOR TEAM STAFF

# TEN TORS 2025 ORANGE CARD RULES FOR TEAM STAFF

## Safeguarding.

- The TM or Deputy TM member with photo ID, is to accompany participants to their start point by 0645 / 0715hrs.
- Either the TM or Deputy TM is to be contactable in Okehampton Camp and able to accept safeguarding responsibility at all times during the Event until all participants have been signed back.
- Participants (whether fall outs, crash outs, casualties or successful finishers) will only be signed back to the TM or Deputy TM with appropriate photo ID. In the event of hospitalisation responsibility will be handed over to the hospital and the TM or Deputy TM will be informed.
- If a participant has not been returned to the TM by Sat 1800 (JC) / Sun 1700hrs (TTC/JC+) they must report this to the Fall Out Centre to ascertain their location.

## Conduct.

- Supporters and Staff must not interfere with the smooth running of the Challenge or compromise the unsupported aspect except within 500m of the start and finish where they may encourage and enthuse.

## Post event.

- TMs are to inform the Organisers of any incident that occurs as a result of Ten Tors as detailed in the Rules.

# TEN TORS 2025 ORANGE CARD RULES FOR TEAM STAFF

## Additional Rules for the Ten Tors Challenge.

### Extraction Contingency.

To support contingency plans for extracting large numbers of participants off the moor from Sat 0700hrs until the Establishment's final departure from Okehampton Camp, any Establishment with more than one team in the TTC is required to:

- Designate a road legal minibus which is to:
  - Be insured to transport participants from any Establishment.
  - Remain parked as directed in Okehampton Camp.
- Ensure a qualified and DBS-checked adult is fit and available to drive at one hour's notice.
- Plan for both to be deployed across Dartmoor in support of the Event at the cost of the Establishment.

**TMs Update.** The Team Managers' Update on Sat 1800hrs will include critical safety information for the following day and thus attendance from at least one member of Staff per Team is mandatory.

## TEN TORS 2025 PINK CARD RULES FOR PARTICIPANTS

**These Rules must be carried by the Team / Walking Leader and Deputy and followed by all participants. Ignoring them may disqualify your Team or Establishment from this or future Ten Tors.**

Final details for the Pink Card will be updated and published by 1 May 2025.  
The draft is available on the website.

# TEN TORS 2025 PINK CARD RULES FOR PARTICIPANTS

**N.B. Water self-replenishment and purification is the team's responsibility.**

## RIVER CROSSING / ROAD CROSSING / OOBS AREAS

- Annex A (as per issued mapping).
- OOB Rivers & Roads are for the Event ONLY. However, in trg, all TMs to make sure participants are aware of the crossings state systems.
- Monitoring the routes walked by the Ten Tors Challenge teams helps the Organisers to check on safety and environmental compliance; eg monitor river crossings, teams risking road traffic collisions (by walking on unauthorised public roads), entry into Rare Bird Nesting Areas (RBNA), trespass on non-access land.

### Out Of Bounds Areas:

- Metalled roads and an area 200m either side unless designated as in bounds.
- Rivers (as per the River State) and Out Of Bounds Areas as shown on Annex A to the Rules – ROUTES/CROSSING POINTS MUST BE ADHERED TO - DISTANCES ARE CALCULATED BASED ON THIS.

## THE EVENT

# REVISED RIVER STATE INFORMATION

- Previous river state system was difficult to brief and understand, therefore added unnecessary risks.
- No change to River and crossing point data, but notation on the map has changed significantly .
- Forget the previous system; it will make it easier to understand the new system.
- **Do not use old mapping**; it will cause potentially dangerous confusion.

## SAFEGUARDING

NATHAN DITTON

DESIGNATED SAFEGUARDING LEAD

## Safeguarding is Everyone's Responsibility

- **Policy.** Available on TT Website, it essential that this is read and understood.
- **Roles.** TT provide personnel from Army Cadet Safeguarding Hub to deliver event Safeguarding leadership, BUT it is essential that TMs partner.
- **TMs.** Must ensure adults are trained, prepared, deploy and able to support TT safeguarding team throughout and are able to take safeguarding lead following weekend.
- **Reporting.** Safeguarding Reports can be submitted via form in TT Safeguarding Policy, BUT TT Safeguarding leads will respond to any issues identified through TT Ops Room. Then link at earliest opportunity with relevant team's Safeguarding Lead.

## CONCLUSION

# SAFEGUARDING

### Safeguarding is Everyone's Responsibility

**Safeguarding Timeline.** TMs lead safeguarding responsibility until start day. Military Safeguarding team take leadership during event BUT must be supported by TMs.

**Information Sharing/Communication.** It is essential that proactive information sharing occurs. TT Safeguarding team should be made aware of any potential safeguarding issues re participants prior to and during event.

**Post Event.** TT Safeguarding Team will report incidents to participant organisations, Designated Safeguarding Leads (DSL) and if required statutory authorities.
