

ANNEX B – MANDATORY CLOTHING AND EQUIPMENT revised 12 Oct 2026

The following items must be carried throughout the Ten Tors Challenge (TTC), Jubilee Challenge (JC) and Granite Challenge (GC).

The items and quantities listed are the minimum required – more may be necessary to ensure individuals are suitably equipped to complete their Challenge even in adverse conditions. Notwithstanding compliance with this list, the organisers may Direct Withdrawal participants from a Challenge before or after the start if they consider them to be unsuitably clothed or equipped to complete it in the forecast conditions.

Walkers must know how to use the items. Further guidance is on the Ten Tors Website at Information – Guidance – Clothing and Equipment.

An asterisk (*) indicates that the item will be issued during Registration in Okehampton Camp.

Items required per individual					
Category	Item	Quantity			Remarks
		TTC	JC	GC	
Safety	Wrist band*	1	1	1	Insert to be printed by establishment, wrist band issued at registration.
	Whistle	1	1	1	Knowledge of distress signal and response.
	Survival bag	1		1	Knowledge of use.
	Torch	1	1	1	JC - torch to be carried by accompanying adult.
	Medication	As required			Location to be known to all in Team (TTC) or by Walking Group Leader (JC & GC).
	Sun Cream	1	1	1	
Load Carriage	Rucksack	1	1	1	With separate waterproof lining or waterproof cover.
Clothes	Base layer	2	1	2	When not being worn to be packed in waterproof bag(s) within the rucksack. Robust enough to keep the wearer warm in a static environment. 1 layer of clothing must be always worn – no one shirtless in hot weather.
	Intermediate layer	2	1	2	
	Insulation layer	1	1	1	
	Socks, thick, pair	2	2	2	
	Trousers	2	1	2	Must fully cover the legs to protect against sun exposure and insect bites. Should be wind-resistant, quick-drying, and suitable for Dartmoor conditions. Shorts, tracksuit bottoms, and jogging trousers are not permitted. ¾-length leggings, leggings with mesh panels, clear sections, or decorative holes are prohibited. Team Managers must ensure leggings are robust, suitable for training and the event, and provide adequate protection from the weather.
	Waterproof clothing	1	1	1	Jacket and trousers, good robust quality and capable of coping with Dartmoor weather.
	Gloves, pair	1	1	1	
	Hat	1	1	1	Suitable for forecast conditions.
	Boots, pair	1	1	1	Ankle protection and in good condition.

Rations	Rations	4 meals	1 meal	1 meal	TTC- sufficient to provide participants with 1 breakfast, 2 lunches and a hot evening meal. GC - evening and breakfast meal will be provided at the campsite by the establishment support staff.
	Emergency rations	1	1	1	High energy food items in a clearly marked sealed bag.
	Water and sterilisation equipment/tablets	2 ltr	1 ltr	1 ltr	Carry robust water containers with a minimum capacity of 1 litre. Additional containers may be needed to support water sterilisation plan. Follow the correct sterilisation dosage for the volume of water being treated. Most systems are designed for 1 litre, and incorrect ratios may cause illness.
Sleeping system	Sleeping mat, full body length	1	N/A	1	GC - either carried or transported to campsite by establishment support staff.
	Sleeping Bag	1	N/A	1	Must be stowed in a waterproof bag and provide thermal support for the user down to a lower limit temperature of -2C (ISO 23537 or EN13537). GC - either carried or transported to campsite by establishment support staff.
The items below are required per team
